NAME OF COMPANY: CHURNGOLD REMEDIATION HOLDINGS LIMITED
INCORPORATING: CHURNGOLD REMEDIATION LTD

Churngold Remediation Limited is a provider of professional remediation services operating on a global basis. We recognise that hazards may exist in all our activities.

We are committed to conducting all activities in a manner that ensures, so far as reasonably practical, the health and safety of our employees and any other stakeholders who may be affected by our operations. We believe that health and safety should be of equal importance to quality, cost, production and morale.

Our policy is embodied within the following objectives:

- To integrate appropriate health and safety standards into all our activities and provide a working environment where all significant risks have been identified and measures taken to minimise if not remove them altogether.
- To comply with current and future legal requirements and industry best practice and to improve our health, safety and environmental performance on a continuous basis.
- To ensure that all employees understand their obligations and responsibilities and empower them to ensure safety in their respective work places.
- To encourage a positive health and safety culture by the participation of employees in accident prevention and the effective communication of health and safety matters.
- To promote health and safety awareness amongst employees, suppliers and sub-contractors.

Our policy will be subject to regular review by top management and any changes will be brought to the notice of employees and other stakeholders as soon as practicable.

The Safety Director responsible to the Board of Directors for all matters relating to health and safety at work within a Specific Division is appointed below.
